

# BACK TO SCHOOL BACK TO YOU

## Make going back to school a positive experience for all the children in our area!

You'll be helping kids get ready for school and help strengthen our community!!

Y Members and the community are invited to join in this effort to support our kids. Clean out those closets or make a purchase and drop the clothing off at the Y during the month of September.

All clothing items will be given to **Kids in Distress Services, Inc.** KIDS is a 501(c)3 agency that provides clothing, toiletries and school supplies to children in need.

The following items are most needed, but all donations will be appreciated:

- Socks & underwear (NEW ONLY)
- Jeans - especially boys size 4 - 8
- Pajamas - all sizes from infant up
- Shoes - all sizes - new or very gently used

**The Y. For a better us.**
