YMCA SUMMER DAY CAMPS

New Adventures. Forever Friendships.

ADVENTURE AWAITS!

The Y is a place where everyone belongs and can be themselves while engaging in new experiences, building new skills and making new friends.

We are committed to providing kids with a safe and positive environment. Our well-rounded day camp programs are rooted in the YMCA core values of caring, honesty, respect and responsibility while being intentional about fostering friendships, a sense of accomplishment, and belonging to all.

The YMCA of the Blue Water Area Day Camp team is here to cultivate your camper's curiosity, to encourage them to be adventurous with who they know and what they believe. We are dedicated to creating a space for youth to discover their passions and explore their potential.

Five Reasons to Attend Y Day Camp Programs:

- Have fun while building new friendships and experiencing a sense of belonging
- Engage in a variety of activities that inspire creativity, critical thinking and a lifelong commitment to learning
- Develop relationships with caring adults
- Become part of a team
- Set and achieve a personal goal

Staffing:

All staff members are selected for their dedication, enthusiasm and desire to allow children to reach their fullest potential. We are committed to hiring a diverse and inclusive staff.

Open Arms Financial Assistance

At the Y, we believe that everyone should have the opportunity to participate in our programs. Through generous contributions to the annual Open Arms Campaign, the YMCA of the Blue Water Area provides financial assistance that enables all members of the community to enjoy YMCA programs, regardless of financial capacity. Financial assistance applications are available at the Welcome Center or on the website. **Applications for financial assistance must be submitted to Calvin Bassil by June 8th.**
