The Child Care and Education Program meets the needs of the community by providing professional child care and preschool services for children 6 weeks to 12 years old. Children are like sponges – they watch and absorb knowledge, skills and values from everything and everyone around them. At the Y, we believe the values and skills learned early on are vital building blocks for quality of life and future success.

That's why our child care, afterschool and community programs are staffed with people who understand the cognitive, physical and social development of kids, the need children have to feel connected and supported in trying new things, and the caring and reinforcement parents and families need to help each other.

The Y Child Care and Education Program is licensed by the State of Michigan, meeting and exceeding all qualifications. All programs meet in excellent facilities at the YMCA or in PHASD classrooms. Full and 1/2 day options are available. Household Y members receive a discount on child care programs.

# GETTING STARTED

## YOUR MEMBERSHIP CARD

Member identification is very important. It allows for a connection to be made and a relationship to be built. Everyone likes to be called by name! Your membership card is an important part of our system to quickly verify your membership and maintain building security. Upon joining, your photo will be taken. This photo is linked to your membership record. A security chip has been added to your card to expedite entering the facility and use of the appropriate locker room. If you haven't received your card yet, please stop by the Welcome Center.

Every time you enter the YMCA, please scan your membership card. If you have a family membership, please have your children scan their cards too! If you forget your card, ask the Welcome Center staff to check you in by showing another form of photo ID, such as your driver's license, when entering.

Memberships are not transferable. Any membership card suspected as being a "loaned card" will be retained by the YMCA and appropriate follow-up will be completed. Members who lose their cards may purchase a replacement/duplicate card for \$10.00.

## LOCKERS AND LOCKER ROOMS

The YMCA has 5 locker rooms. Women's and men's locker rooms are for adults only (18 and older). Boys' and girls' locker rooms are for youth (17 and under) and accompanying parents/guardians of the same gender. Adults may also accompany children 11 and under by using the family locker room.

Lockers are available for day use by members and guests in the Duffy Wellness Center, outside the Aerobic Studio, Gym and in the locker rooms. Please bring your own lock for day-to-day use and remove it at the end of each visit. Items left overnight will be removed from the locker and placed in Lost and Found. We are not responsible for lost or stolen items.

When it comes to bringing personal belongings into the Y locker rooms, remember it's up to you to watch them and lock them. You are solely responsible for all personal belongings you bring, and you must provide your own secure lock for protection of your items.

## DECIDING WHAT TO DO

The best advice is to get involved right away. Take a fitness class. Make use of the Duffy Wellness Center. Go swimming. Shoot baskets. Sign up for a program. Volunteer.

## WHAT DO I NEED TO KNOW ABOUT STARTING AN EXERCISE PROGRAM?

1. Wear comfortable clothing and rubber-soled shoes.
2. Have a water bottle with you during exercise and drink often
3. Listen to your body. It is ok if you need to slow down and rest or modify an exercise.
4. Communicate to your instructor any questions or concerns about the class

## HEALTH ISSUES OR MEDICAL CONSIDERATIONS

Please get a medical exam prior to beginning any exercise program. This is a wise first step to engaging in any wellness-related activity. Some programs may require a written and signed physician's approval prior to participation.

Also, be sure to keep your contact information up-to-date on your YMCA records. It's essential that we have your current address, phone number and emergency contact information in case of an emergency.

## PROGRAM REGISTRATION

The YMCA offers programs for seniors, adults, teens, young children and families. Current program and session information is available on the website and at the Welcome Center. To register for a program, you can register in person at the Welcome Center, over the phone, or online for most programs. Payment is required at the time of registration if a fee is charged.

# GETTING THE MOST OUT OF YOUR MEMBERSHIP

## MOBILE APP

Get all the latest information about the YMCA when you want it, where you want it, even on the go. You can use the app to check in, find what group exercise classes are available today, register for a class or program and get facility status notifications—all from your phone. The mobile app is available through the Apple and Android app stores, just search for YMCA of the Blue Water Area, download and go.

## GUEST PASS PRIVILEGES

The YMCA provides free guest passes as a benefit to our members. Y members may have as many guest passes as they request. However, each individual guest is limited to 3 visits per year. All guests must present a valid ID and sign a facility waiver. An adult must accompany all underage guests into the facility and remain in the facility for the duration of their visit. Access to towels, ChildWatch and KidZone will be according to the membership that is providing the guest pass.

## MEMBERSHIP HOLDS

Y members can put their membership "on hold" once a year for a time period of 2-6 months. On hold status requires written notice to the Y by the 25<sup>th</sup> of the month prior to when the hold takes effect and a date to reactivate the full membership.

## CHANGES TO YOUR MEMBERSHIP

Change is inevitable, even when it comes to your YMCA membership. Thankfully, we offer a simple form (available at the Welcome Center) for you to complete any time you need to alter something related to your membership. Whether adding or removing a family member or updating your bank account information, you can submit updates anytime with ease.

To cancel, change or suspend a membership and associated services, you need to provide written notice to the Y by the 25<sup>th</sup> of the month and where applicable, return your membership cards.

## PROGRAM REFUNDS

Classes are planned based on a minimum number of participants. If the set minimum is not met for any given class, the class may be cancelled. If the Y cancels a class due to low enrollment, weather, contamination or illness, participants will be issued a credit or refund in full.

If a participant is unable to attend or is not satisfied after the first class or league practice (prior to the first game), then a full credit or refund will be issued. Classes missed by participants due to personal reasons will not be credited or refunded except when accompanied by a doctor's note.

## CELL PHONE POLICY

The YMCA is a safe place for children, adults and families. We would like to keep it that way.

Cell phone technology makes it easy to take high quality photos. When used inappropriately, this can impact the privacy of other members and guests. Use of cameras, cell phone cameras, or any other visual recording devices are not allowed within the YMCA without the express of the President/CEO or Vice President—Healthy Living and Membership.

Cell phone use is encouraged in the lobby or other hallways and seating areas at the Y. In order to ensure the privacy of our members and guests, cell phones may not be used in locker rooms, bathrooms, changing areas, childcare rooms, pool or program areas. Please be courteous and keep your phone on vibrate or a very low ring. If a family member needs to reach you they may call the YMCA's main number at (810) 987-6400 and a member of the staff will make every effort to locate you.

Anyone who violates this policy may be asked to move to the lobby or other designated area. If a member or guest continues to violate this policy or post images, their privileges and or membership may be revoked.

This is made possible through the support of donors to the Open Arms Financial Assistance Fund. Applications for program and membership assistance are available at the Welcome Center and on the website.
